

Healing Touch Healthcare Facility Profile

Catawba Valley Living at Rock Barn

4174 Shook Road, Claremont, NC 28610

At Catawba Valley Living at Rock Barn, we embrace the concept of “Carpe Diem” (Seize the Day). We believe that each day should be lived to the fullest, and we want to share that vision with you.

Though we realize it is not easy to replicate a person’s home, we believe that we have achieved a warm and inviting atmosphere in which all seniors will feel at home. Each aspect of Catawba Valley Living at Rock Barn was planned with the residents who would grace our doors in mind. Large spacious common areas with beautifully appointed interiors make our residence an inviting and warm Community.

Type of Facility: Assisted Living

How Healing Touch is currently being used in your facility:

On a volunteer basis by those residents who wish to receive it. Some have standing weekly appointments and others sign up as they feel led to when there are openings available.

Other information you would like to include about your facility: We are a free-standing Assisted Living Community that is owned by the same family who owns a large golf, tennis and spa resort that has a large area in the spa that offers many different types of massage therapies. We accept residents who are 55 and older, but however, hope to reach a larger population of seniors even on a walk-in basis through Healing Touch as we develop the program.
