Article Submission Guidelines

By submitting an article to *Energy magazine™* you hereby grant us permission to publish it and edit it for length and content, as necessary, without monetary compensation. In return you will receive a short bio and link to your website or other contact information. Articles need to be proofread, grammar and spell checked PRIOR to submission. By submitting your contribution, you represent that you are its author or creator, or that you are submitting it with the permission of its author or creator who has agreed to these terms and conditions. We request one-time electronic rights and the right to keep submissions in archive. You, however, retain the copyright in your work and are free to reuse it in any way you want.

Privacy Practices For publication in Healing Touch Program's *Energy magazine™*.

In the interest of maintaining privacy for Healing Touch Clients the following privacy practice is required for all materials published by Healing Touch Program.

Client identities and privacy needs to be protected by one of the following methods: 1. Use of pseudo names and by changing enough of the identifying material of the situation that recognition is impossible. 2. Specific written permission and release is secured from the client and supplied to Healing Touch Program with the written submission.
